HOBBS, NEW MEXICO

FEB 28 1958

January 29, 1958

Pan American Petroleum Corp.  
Hobbs, New Mexico

Gentleman:

On January 28, 1958, a survey was made to locate your C. R. Martin, No. 1 located 660 feet from the North Line and 1980 feet from the West Line of Section 23, Township 18 South, Range 26 East, N.M.P.M., Eddy County, New Mexico.

A flag was set at a bolt, the Northeast Section corner marker of Section 23 and the Transit was set up at a bolt in center of road, the Northwest corner marker of Section 23. (These same corners were used in staking all of Standard Oil Co. of Texas wells in this vicinity.) Thence chaining East along section Line 1980 feet thence South 660 feet to the proposed location site. As a check we retraced our survey and found no error in the survey. The location site is in a plowed field and there is no irrigation ditches close to the location.

I hereby certify that the forgoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

*John W West*  
John W. West
