17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

**Water has channeled directly to this well as a result of water injection into well Nos. 4 and 6. This well is currently producing 100% water.**

**Propose to pull rods and tubing from well No. 5 and temporarily abandon by capping 7" O. D. casing with swage and valve. The well will remain on temporarily abandoned status until results of water injection operations can be determined. Work will be started as soon as approval is granted.**
