Re: Nix & Curtis Lease
Well #1-E, 25-18-26
Dayton Abo

Gentlemen:

This will acknowledge receipt of the Allowable Cancellation No. A 9 issued 10/3/67 covering the subject well. This well is operated by another party with Tri-Service Drilling Company as Agent. We are having difficulty receiving the statements each month from the gas purchaser. The purchaser has not as yet changed its mailing address and, as a result, the statement must be forwarded and is not received by this office in time to file the Form C-115 before the date it is due. However, the purchaser is in the process of making the address change and in the future we should be able to file the form at the proper time.

The Form C-115 for the month of August was filed with the Oil Conservation Commission on 10/3/67. We request the allowable for this well be reinstated as soon as possible.

Yours very truly,

WALTER D. JENKINS
