Mr. A. D. Collier  
P. O. Box 798  
Artesia, New Mexico

Re: A. D. Collier Scripps #2  
Unit---, Sec. 25-18S-26E  
Eddy County, New Mexico

Dear Sir:

A field inspection of the above captioned well shows it to be leaking water at the top of the casing, and the casing appears to be badly corroded.

After a careful study of the casing and cementing program on this well, and due to its present condition it appears to be a hazard to the Artesian Water Basin.

I recommend that this well be plugged as soon as possible.

Very truly yours,

OIL CONSERVATION COMMISSION

DEL/jw

Howard E. Tobler  
Oil Gas Inspector
