☐ Beginning Drilling Operations☐ Casing Test and Cement Job☒ Other (Explain):☐ Plugging☐ Remedial Work

Status Report

Detailed account of work done, nature and quantity of materials used, and results obtained.

The purpose of this report is to show the present status of this well. The well was permanently abandoned, and it will be necessary to inspect the surface conditions around this location to see if there is any unfinished work to be done. It is the writer's recollection that this well was never drilled to a depth of more than 100 or 200 feet and that such hole as made was properly filled. Final inspection and completion papers will be made in the next 30 to 60 days.
