Oil conservation
continued from p.

Dear Sir:

I would like to know if Mr. Quinn
is still pumping the frozen wells,
#1-2-4-18-26.

The water check I got 3-17-83.

I'm sorry to bother you but I have
no other way to find out what is
being done.

If he isn't pumping - isn't the line
broken away from Mr. Quinn?

Then what do I do - I'm sorry but
I have no one else to ask these
questions -

Sincerely,

Thomas L. Traynor
