Dear Mrs. Crozier:

According to Mr. Fenn's Operator's Monthly Reports for 1983, the only oil sold off of the Crozier well for the year was 166 barrels sold in February.

The well has been producing every month, and as of November, 1983, there is an accumulated total of 193 barrels of oil in the tank.

The purchaser of the oil off of this lease is:

Navajo Crude Oil Purchasing Company
P.O. Drawer 159
Artesia, New Mexico 88210.

Perhaps, if you contact them, they could keep you informed as to when they purchase the oil and help expedite payment to you.

If we can be of any further help, please let us know.

Very truly yours,

Leslie A. Clements
