RE: Cleveland Well No. 1  
Unit B, Sec. 33-185-26E  
Eddy County, New Mexico

Gentlemen:

Please find the attached five copies of Form C-105 for subject well. This well is currently being tested and is not considered as completed.

The formation record shown is for the interval drilled during the 1960 drilling deeper operation. The original T.D. was 6100'. The formations encountered from surface to 6100' have been previously reported to the Conservation Commission.

Yours very truly,

E. P. CAMPBELL
