17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Oil production from the subject well has declined to 8 BOPD. We propose to fracture treat the well using 60,000 gallons of treated water and 150,000 #20-40 sand. The treatment will be via the casing through the existing perforations 2536-2726 (26 holes).

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
