17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Yates Petroleum Corporation proposes to return this well to production. We plan to clean out to PBTD @ +2440', run log for evaluation, possibly perforate in additional San Andres intervals, fracture treat using +60,000 gallons treated KCL water plus +95,000 lbs sand. We intend to start work within 3 days.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
