Dear Sir:

This is to notify you that we have not received the following on the above-captioned well:

- 1) three (3) copies of form C-103 (Plugging Report);
- 2) five (5) copies of form C-105 (Well Record).

Also, a recent field inspection of the well site indicates the pits have not been filled and the location cleaned. Please see that this work is completed and the above forms submitted to this office as soon as possible.

Very truly yours,
