Eddy County, New Mexico

Dear Sir:

This will acknowledge receipt of form C-105 (Well Record) on the above-captioned well. We are returning this form and ask that you complete the casing record information and formation record. As you have indicated on form C-105 that the well is now being used as a water well, it will be necessary for you to submit a new form C-103, giving complete details of abandonment and conversion to a water well.

Please take care of the above work as soon as possible.

Very truly yours,
