Re: Gas Oil Ratio test, D H Good-
rich Well No. 1, Unit D, Sec.
35-18S-26E, Dayton-Abo Pool,
Eddy County, New Mexico

Gentlemen:

Gas-Oil Ratio test reports, forms C-116, were due on all wells in the Dayton-Abo Pool on or before February 10, 1961. To date we have not received this report on the subject well.

We must hear from you by February 16, 1961, or we shall be forced to cancel the well's allowable.

Very truly yours,

OIL CONSERVATION COMMISSION

RLS/sa

MR. L. Stamets
Geologist
