Sir:

We are in receipt of your Form C-104 showing change of operator on the above captioned well.

However, we are returning them so that you may decide under which name you want this well carried.

Also, we cannot effect any change in operator until we have a Bond, either a Blanket Bond, or One-Well Bond. We are enclosing information showing what must be done about bonds.

We will carry this well under Latch Operations until we receive your corrected Form C-104, and your bond.

Very truly yours,

A handwritten signature in cursive script, reading "Leslie A. Clements".
