Attention: Mr. J. P. Jones

Dear Mr. Jones:

This will acknowledge receipt of your Form C-101, Notice of Intention to drill the Standard Oil Company of Texas, Paul Terry, No. 1. I believe, though, that the Section, Township, and Range is in error and that it should be Section 15-18S-26E instead of 15-16S-26E. If this is correct and it is all right with you, we will go ahead and correct it and save you from having to make out another corrected report.

Also before we can approve the C-101, we will need three (3) copies of Form C-128, Well Plat. We are enclosing a few of these forms in case you haven't any.

Very truly yours,

OIL CONSERVATION COMMISSION
