Attention: Mr. M. L. Armstrong

Gentlemen:

Reference is made to your letter dated August 6, 1956, in regard to our Paul Terry Well No. 1. The township should be 18-S instead of 16-S. It will be satisfactory for you to change the township on the Form C-101.

Attached are the forms C-128 and WR-28 for the Paul Terry No. 1. If approval is granted to drill this well, we will appreciate being notified by telegram.

We are out of the Form WR-28. Since we anticipate more drilling in this area, we would appreciate your sending us about fifty copies of the Form WR-28.

Very truly yours,

J. P. Jones
Division Production Superintendent
