17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We would like to defer permanent abandonment until completing the geological and engineering studies currently in progress.

Paul Terry #1 is still safely cased and controlled, and is periodically checked by field personnel. No hazard will be created by deferring abandonment.

We request approval to leave the well temporarily abandoned.
