Devon Energy Production Company, L.P. request that this well be given tempoary abandonment status. The most recent 5 year MIT is attached.

Since Devon became operator of this field, eight wells that were previously TA'd have now been put in active status. Upon continued review and evaluation, Devon anticipates that this well will be returned to active status or plugged. TA status is requested so that our field study can continue.

Temporary Abandoned Status approved
until 10-15-07
