13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Devon Energy Production Company, L.P. request that this well be given temporary abandonment status. The most recent 5 year MIT is attached.

Since Devon became operator of this field, eight wells that were previously TA'd have now been put in active status. Upon continued review and evaluation, Devon anticipates that this well will be returned to active status or plugged. TA status is requested so that our field study can continue.

Temporary Abandon Status
Approved Until

10-2002

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
