Re: State BZ
#4-C-2-18-27
Eddy County, NM

Dear Sirs:

The form C-103 you filed February 18, 1977 on your State BZ #4-C-2-18-27 did not show the full amount of cement it took to circulate cement. I believe they pumped 75 sacks of cement February 16, 1977 and then pumped 20 sacks on February 17, 1977.

Could you please check your records and send us another C-103 with the correction?

Sincerely yours,

Mike Williams
Oil & Gas Inspector
