## JOHN W. WEST ENGINEERING COMPANY

412 NORTH DAL PASO

October 5, 1959

Pan American Pet. Corp. Hobbs, New Mexico

Gentlemen:

On October 3, 1959 a survey was made to relocate your No. 7 location on the USA Malco Refineries Federal H, Royality Account "E" lease at a point 982.44 feet from the North and 330 feet from the East line of Section 3, Township 18 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.

A flag was set at the USGLO Quarter corner marker common to Sections 2 and 3 and the Transit was set up at the USGLO Section corner marker common to Sections 34, 35 and 2 and 3. Thence chaining South from Transit a distance of 982.44 feet, thence West 330 feet to the location site of the USA Malco Refineries Federal H, Royality Account "E" No. 7. As a check on our survey we chained East from location site 330 feet, thence South 161436 feet to the USGLO Quarter corner marker commonto Sections 2 and3, checking in within 0.30 of the distance as shown on the USGLO township plats.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
