November 18, 1959

Pan American Pet. Corp. P. O. Box 68, Hobbs, New Mexico.

Gentlemen:

DIAL 3-3942

On November 17, 1959, a survey was made to locate your U. S. A. Malco Refineries Federal "H" Well No. 9 at a point 2308.68 feet from the West line and 957 feet from the North line of Section 3, Twp. 18 S., Rng. 27 E., N.M.P.M., Eddy County, New Mexico. Said well also described as being 330 feet from the South and East lines of the NE $\frac{1}{4}$ of the NW $\frac{1}{7}$ of said Section 3.

A flac was set up at the USGLO Quarter Section corner marker common to Section 3 and Section 34, Two. 17 S. The transit was set up at the USGLO Section corner marker common to Sections 3 and 4, Twp. 13 S., and Sections 33 and 34, Two. 17 S. There chaining from the transit N 89° 53' E along the North line of Section 3 a distance of 2308.68 feet; thence S 0° 38' E a distance 957 feet to the location site of the U. S. A. Malco Refineries Federal "H" Well No. 9. As a check on our survey we chained N 0° 38' W a distance of 957 feet and N 89° 53' E a distance of 321 feet to the USGLO Quarter Section corner marker common to Section 3 and Section 34, Twp. 17 S., checking in within 0.40 feet of the distance shown on the USGLO Township Plats.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
