HOBBS, NEW MEXICO

March 28, 1960

Pan American Petroleum Corp.
Box 68
Hobbs, N.M.

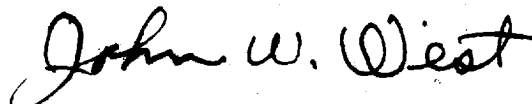

Gentlemen:

On March 26, 1960, a survey was made to locate your #1 location on the U.S.A. Malco Refineries "L" Lease at a point 330 feet from the East line and 2193.84 feet from the North line of Section 4, Township 18 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.

A flag was set at the USGLO Quarter Corner Marker common to Section 3 and 4, and the transit was set at the USGLO Section Corner Marker common to Section 3, 4, 33 and 34. Thence chaining $S0^{\circ}38'E$ from transit a distance of 2193.84 feet along the section line to a point, thence $N89^{\circ}32'W$ a distance of 330 feet to the location site of the U.S.A. Malco Refineries "L" #1. As a check on our survey we chained $S89^{\circ}32'E$ from the location site 330 feet, and thence $S0^{\circ}38'E$ 330 feet checking in on the USGLO Quarter Corner Marker common to Section 3 and 4 within the allowable error for this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
