Hobbs, New Mexico

Gentlemen:

On September 16, 1959, a survey was made to locate your No. 3 location on the R.F. Windfohr lease at a point 1637.98 feet from the East line and 330 feet from the South line of Section 4, Township 18 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.

A flag was set on the USGLO Quarter corner marker common to Sections 4 and 9, and the Transit was set up at the USGLO Section corner marker common to Sections 3, 4, 9 and 10. Thence chaining West from Transit a distance of 1637.98 feet to a point, thence North 330 feet to the location site of the R.F. Windfohr No. 3. As a check on our survey we chained East from location site 1637.98 feet and thence South 330 feet to the point of beginning of our survey, checking in within the allowable error for this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
