

JOHN W. WEST ENGINEERING COMPANY
412 NORTH DAL PASO
HOBBS, NEW MEXICO

October 19, 1959

Pan American Pet. Corp.
Hobbs, New Mexico

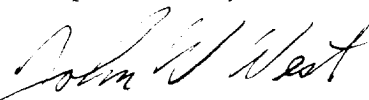

Gentlemen:

On October 16, 1959, a survey was made to locate your No. 4 location on the R.F. Windfohr lease at a point 1581.70 feet from the South line and 1645.38 feet from the East line of Section 4, Township 18 South, Range 27 East, N.M.P.M., Eddy County, New Mexico. The location site is also described as being 330 feet from the South and East lines of the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section. 4.

A flag was placed on the USGLO Quarter corner marker common to Sections 4 and 9, and the Transit was set up at the USGLO Section corner marker common to Sections 4, 9, 3 and 10. Thence chaining S89°50'W from the Transit a distance of 1645.38 feet to a point, thence N0°38'W a distance of 1581.70 feet to the location site of the R.F. Windfohr No. 4. As a check on our survey we chained N89°50'E 1645.38 feet, thence S0°38'E 1581.70 feet to the point of beginning of our survey checking in within the allowable error for this survey.

I hereby certify that the foregoing survey was made in the field under my supervision and that the same is true and correct to the best of my knowledge and belief.

Respectfully submitted,

John W. West
