Dear Sir:

This will acknowledge receipt of form C-104 on your Eaton Federal #1 in Sec. 5-18S-27E. However, we have form C-104 Request for Gas-Oil Allowable and C-110 Authorization to Transport Oil or Gas.

I believe what you want is a raise in your allowable, and if so write a letter the Hobbs Oil Conservation Commission office stating what you have done to the well and that you need more allowable.

Yours very truly,

OIL CONSERVATION COMMISSION
