OFFICE OF
STATE ENGINEER

SANTA FE

May 28, 1934.

Mr. J. D. Hunter,
Carlsbad, New Mexico.

Dear Mr. Hunter:

Re Application No. RA-1140.

I plan to be in Carlsbad Friday morning, June 1st, and I would like to confer with you regarding the Scott well, which is in Section 7, Township 18 South, Range 27 East.

I believe there has been some correspondence between you and Dr. Wells regarding this well, and from my conversation with him, I believe that you and I can get together and decide what is the best method to handle this proposition.

If this date is not agreeable to you, please advise me before next Wednesday.

Very truly yours,

Thomas M. McClure
State Engineer.
