J. W. TEAGARDEN Manager

January 8, 1936

Mr. E. H. Wells, State Geologist, Santa Fe, New Mexico.

Dear Sir:

RE: 67496-12-566-33-W. A. Scott

As far back as November 1934 you wrote us concerning our liability under a \$1500 Plugging Bond issued on behalf of the above. Since that time we have learned that our principal has disposed of the lease or property on which the well was drilled to Mr. Lee Vandagriff of Artesia, New Mexico, and we have been requested to write you to ascertain definitely if our bond has terminated. Mr. Scott, who is now employed by the Internal Revenue Office of the Government in Dallas, insists that he is no longer interested in this matter, inasmuch as he has disposed of whatever interest he may have had in the well.

Any information you can give us will be greatly appreciated, as our file in this case has been pending for many months.

Yours very truly,

Chas. M. Daley Supt. Fidelity & Surety Dept.
