Dr. E. H. Wells
State Geologist
Santa Fe, New Mexico

Dear Dr. Wells:

This is in reply to your letter of January 15th,
in connection with the Kaiser No. 1 well in the NW₄SE₄
of Sec. 7, T. 18 S., R. 27 E., Eddy County.

You are advised that this is a producing well and
Pecos Diamond is taking the oil. During the month of
December, 1935, this well produced a total of 85 barrels.

It is my understanding that Mr. Lee Vandagriff of
Artesia, has taken over this property, and I think he
should be responsible for the bond.

Very truly yours,

FJV:t

State Oil & Gas Inspector.
