Re: Request for Allowable  
Change, dated June 16, 1960

Gentlemen:

We are in receipt of the subject request for your Gilbert Wells No. 1X and 2K, Sec. 7-18S-27E, Red Lake Pool, Eddy County New Mexico. The changes will be made as you outlined. However, when making any subsequent requests for increases in allowable, please show what caused the increase under the "remarks" column of form C-127. Simply state if the increase resulted from a workover, clean-out operation, or natural increase in the well's productive capacity.

Very truly yours,

OIL CONSERVATION COMMISSION
