Mr. M. L. Armstrong
New Mexico Oil Conservation Commission
P. O. Drawer DD
Artesia, New Mexico

Dear Sir:

As discussed by telephone today, you advised permission would be granted to store production from Chalk Bluff Draw Unit No. 3P located in Unit H, Section 8, T-18-S, R-27-E at our battery located in Unit F, Section 9, T-18-S, R-27-E.

We are currently preparing our application for administrative approval to provide for off-lease storage on a permanent basis, however, it will be appreciated if you will advise Service Pipe Line Company, Midland, Texas of your temporary permission for the interim period while our application is being processed.

Yours very truly,

V. E. Staley
Area Superintendent
