RECEIVED
OCT 20 1961
U.S. DEPT. OF
INTERIOR

October 20, 1961

Pan American Petroleum Corporation
P. O. Box 68
Hobbs, New Mexico

Attention: Mr. V. E. Staley

Gentlemen:

Reference is made to your letter of October 6, 1961, wherein you have requested authority to commingle Empire-Abo production from your State "BR" Lease and from your State "CE" Lease, both in Section 16, Township 18 South, Range 27 East, Eddy County, New Mexico.

We are returning herewith the schematic drawings of the installation. Please re-submit drawings showing the manner in which bad oil in the stock tanks will be re-circulated. We will also need to know the type and size of the meters which you propose to use, as well as what provisions will be made for proving the meters.

Very truly yours,

DANIEL S. MUTTER
Chief Engineer

U. S. CONSERVATION COMMISSION

P. O. Box 871

SANTA FE, NEW MEXICO

October 28, 1951

San Antonio Petroleum Corporation

P. O. Box 871

San Antonio, New Mexico

Dear Sirs:

Dear Sirs:

Reference is made to your letter of October 19, 1951, regarding your proposed application to the Commission for a permit to conduct geophysical operations in the San Antonio area. The Commission has received your letter and is currently reviewing the same. The Commission is currently reviewing the same and is currently reviewing the same.

We are returning herewith the schematic drawings of the installation. Please re-submit drawings showing the changes in which the clock tanks will be re-constructed. We will also need to know the type and size of the meters which you propose to use, as well as what installation will be made in providing the meters.

Very truly yours,

JAMIE R. NUTTER
Chief Engineer
