TITLE OIL AND GAS INSPECTOR

This form is to be filed in compliance with Rule 110.

When a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation logs taken on the well in accordance with Rule 111.

All sections of this form must be filled out completely for allowable and must be recompleated within.

Fill out only Sections I, II, III, and IV for change of owner, well name or number, or transportation or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiply completed wells.
