This form is to be filed in compliance with Rule 1104.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a calculation of the deviation to be taken on the well in accordance with Rule 1104.
All sections of this form must be filled out completely for allowable on new and recompleted wells.
Fill out only Sections I, II, III, and IV for change of owner, well name or number, or transporter, or other technical information.
Separate Forms C-104 must be filed for each pool in multiply completed wells.
