Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

After re-entering and test pumping this well, we feel it would not be of any benefit to our Flood. We propose to re-plug this well as follows:

Place 100 sx plug across Metex and Loco Hills Zones.  
50 sxs @ bottom of old 8 5/8" csg. - 476'  
35 sxs @ top of old 8 5/8" csg @ 278 ft. 50' IN TOUT  
Pull 278 ft. of 8 5/8" csg. which we set in hole.  
Set surface plug.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
