NEW MEXICO OIL CONSERVATION COMMISSION  
REQUEST FOR ALLOWABLE  
AND  
AUTHORIZATION TO TRANSPORT OIL AND NATURAL GAS

Form 104-1  
Supersedes OIL C-104 and C-116  
Effective 1-1-69

1. S. P. Yates  
Address: 207 South Fourth St., Artesia, New Mexico 88210  
Reason for filing: ☒ Check (new lease) ☐ Other (Please explain)  
New lease ☐ Change in Transporter of:  
Oil ☒ Dry Gas ☐  
Casinghead Gas ☐ Condensate ☐

If change of ownership give name and address of previous owner \_\_\_\_\_

II. DESCRIPTION OF WELL AND LEASE

|              |           |                                                                                      |                              |
|--------------|-----------|--------------------------------------------------------------------------------------|------------------------------|
| Lease Name   | Well No.  | Pool Name, including Formation                                                       | Kind of Lease                |
| <u>Stout</u> | <u>2</u>  | <u>Artesia Queen Grayburg SA</u>                                                     | State, Federal or Free State |
| Location     |           |                                                                                      |                              |
| Unit Letter  | <u>L</u>  | <u>1650</u> Feet From The <u>South</u> Line and <u>990</u> Feet From The <u>West</u> |                              |
| Range        | <u>24</u> | Township <u>18S</u> Range <u>27E</u> , <u>MMBBL</u> <u>Eddy</u> County               |                              |

III. DESIGNATION OF TRANSPORTER OF OIL AND NATURAL GAS

|                                                                                                                  |                                                                          |           |            |            |                            |      |
|------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|-----------|------------|------------|----------------------------|------|
| Name of Authorized Transporter of Oil <input checked="" type="checkbox"/> or Condensate <input type="checkbox"/> | Address (Give address to which approved copy of this form is to be sent) |           |            |            |                            |      |
| <u>Navajo Refining Co. Pipe Line Div.</u>                                                                        | <u>P. O. Box 67, Artesia, New Mexico 88210</u>                           |           |            |            |                            |      |
| Name of Authorized Transporter of Casinghead Gas <input type="checkbox"/> or Dry Gas <input type="checkbox"/>    | Address (Give address to which approved copy of this form is to be sent) |           |            |            |                            |      |
| <u>None</u>                                                                                                      |                                                                          |           |            |            |                            |      |
| If well is connected to pipeline                                                                                 | Unit                                                                     | Sec.      | Dep.       | Reg.       | Is gas actually connected? | When |
| <u>Yes</u>                                                                                                       | <u>M</u>                                                                 | <u>24</u> | <u>18S</u> | <u>27E</u> |                            |      |

If this production is commingled with that from any other lease or pool, give commingling order numbers: \_\_\_\_\_

OIL CONSERVATION COMMISSION

APPROVED 6/26/1969, 19  
BY W. A. Gussert  
TITLE \_\_\_\_\_

This form is to be filed in compliance with RULE 1104.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a copy of the deviation tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for allowable on new and recompleted wells.

Fill out Sections I, II, III, and VI only for changes of owner, well name or number, or transporter, or other such change of condition.

Separate Forms C-104 must be filed for each pool in multiple
