Gentlemen:

We have been advised that Nix and Curtis desire to drill a well in the SW/4 SE/4 of Section 26, Township 18 South, Range 27 East, and that due to topographic conditions, they desire to dig this well closer than 330 feet of the North line of said forty acre tract.

S. P. Yates Drilling Company and John A. Yates own an adjoining oil and gas lease, and we herewith state that we have no objection to an unorthodox location provided said location is no closer than 230 feet from the East line of the SW/4 SE/4 of Section 26, Township 18 South, Range 27 East.

Yours very truly,

S. P. Yates Drilling Co.
