Dr. E. H. Wells,
State Geologist,
Santa Fe, New Mexico

Dear Dr. Wells:

The attached SG107s on the Eastland Oil Company State lease #647, assignment 106 brings this lease up to date on monthly reports, these reports represents several letters, at times it looked like I would never get this company to make reports. They have now promised to make them each month.

You will probably note that one report covers a full year, altho I did succeed in getting them to list each month separately, which will serve our purpose.

Very truly yours,

Encl: Eastland Reports.

J. D. Hunter,
Oil & Gas Inspector.
