Sec. 2-18-27, Red Lake
Pool, Eddy County, N. M.

Dear Al:

A field inspection of the subject well reveals that the same is located approximately 50 feet north of the location shown in our files. Please correct your records to show the location as 280' FNL, 1650' FWL rather than 330' FNL, 1650' FWL as now shown.

By copy of this letter, the EDP Section is requested to correct their records accordingly.

Very truly yours,

Oil Conservation Commission
