In re: Your State Well No. 2
Artesia Field
Eddy County, New Mexico

Dear Mrs. Welch:

Will you please advise us if the following description, which is on the Notice of Intention to Drill the above listed well, is correct?

Section 20
Township 17
Range 18

If the Range 18 is correct, this would place your well in a Wilcoats Section.

Will you please let us know if this was intended to be Range 28, instead of Range 18.

Thanking you in advance for this information, we remain,

Very truly yours,

Roy O. Yarbrough
Oil and Gas Inspector
