17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any propose work) SEE RULE 1105.	10 0				

St. Marchard

We are trying to make a deal with the present lease holder to produce this well. Request further time for further negotiations. This well was producing about five barrels of oil a day when ownership of lease changed and we had no agreement with new ownership.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
