New Mexico.

Gentlemen:

We are herewith returning your recently submitted Form C-103 "Report on Abandonement" covering the subject well, inasmuch as the following necessary work has not been completed. First, the location has not been permanently stenciled on the well marker and second, the dead men loops have not been cut. As soon as this work has been completed please note it on the returned C-103's and send them back to us.

Very truly yours,
