INSTRUCTIONS

OCT 4 1974 This form is to be filed with the appropriate District Office of the Commission not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of ireformity drilled wells, the vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each project of the first of the state land, where six copies are required. See Rule 1105.
