MISCELLANEOUS REPORTS ON WELLS

RECEIVED
JUN 13 1949

Oil Cons. Comm.

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

Title

THE HISTORY OF THE CITY OF BOSTON

The city of Boston, situated on a peninsula in the State of Massachusetts, was first settled by a band of Puritan emigrants from England in 1630. The city grew rapidly, and by 1690 it was the largest city in the New England colonies. It was the center of the American Revolution, and the site of many important events, including the Boston Tea Party and the Battle of Bunker Hill. The city has a rich history, and its landmarks and architecture reflect its long and illustrious past.

The city of Boston is a major center of commerce and industry in the Northeast. It is home to many large corporations and financial institutions, and it is a major port for international trade. The city is also a major center of education and culture, with many universities and museums. The city's history is a testament to the resilience and spirit of the American people, and it continues to inspire and educate people around the world.

The city of Boston is a beautiful and historic city, and it is a pleasure to visit. The city's landmarks and architecture are a testament to its long and illustrious past, and its rich history is a source of pride for all who live and work in the city. The city is a major center of commerce and industry, and it is a major port for international trade. The city is also a major center of education and culture, with many universities and museums. The city's history is a testament to the resilience and spirit of the American people, and it continues to inspire and educate people around the world.
