Mr. Joe Caston,
Box 922,
Artesia, New Mexico

Dear Sir:

Agreeable to our conversation over the telephone regarding the plugging of the well in the Artesia Field. I am enclosing the "Notice of Intention to Abandon" forms for you to make out.

In making the forms out give the reason for abandoning the well. Give the present condition of the well, amount and size pipe. Also give what you propose to do in the way of plugging. Give the places you expect to set cement and the amount at each place.

Send these to me made out in triplicate and I will return one approved copy for you, should there be any changes desired I will put them on the sheet I return. I will be up there within the next few days.

Very truly yours,

J. D. Hunter,
Oil & Gas Inspector.
