12. Describe Proposed or Completed Operations if to plug state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. (SEE RULE 103.)

This well is in process of being abandoned. The equipment is still in place contingent upon purchase by a new owner at December 31, 1974, in which case the new owner would rework this well & put it back on production. Otherwise, we would apply for application to plug.

13. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
