Re: Western Yates State Well # 45,
Unit I, Sec. 21-18S-28E, Eddy
County, New Mexico

Gentlemen:

The above-captioned well is carried in our files under the operator name of Western Yates, and is State well # 45. We wrote you on March 30 and returned Form C-101 in order that Form C-128 (Well Location Plat) be made and attached to Form C-101. Today we received Form C-103 on this well, but not the other forms which we require.

Please submit six (6) copies Form C-101, three (3) copies Form C-128, and three (3) copies Form C-103 showing change of ownership from Western Yates to Graridge Corporation.

Very truly yours,

OIL CONSERVATION COMMISSION

Re: Western State State
Unit 1, Sec. 14-15-16, T1N
County, New Mexico

Dear Sir:

The above named well is located in our office under the operation
of the Western State, and is located well W. 14. We would like to know
if you have received Form 0-101 in order that Form 0-101 (Well location form)
be under and attached to Form 0-101. Today we received Form 0-101 on
this well, and not the other forms which we require.

Please return six (6) copies Form 0-101, three (3) copies Form 0-102,
and three (3) copies Form 0-103 showing change of ownership from Western
State to Grassland Department.

Very truly yours,

THE CONSERVATION COMMISSION
