MISCELLANEOUS NOTICES

Submit this notice in **TRIPLICATE** to the District Office, Oil Conservation Commission, before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Mr. W. A. Gressett
Oil Conservation Commission
Artesia, New Mexico

Dear Mr. Gressett:

Enclosed are copies of Form 102 covering proposed work to be done on the Frank Darden Magnolia State No. 2, as you instructed. We hope that this will be satisfactory.

It is my understanding that we were denied an allowable for our Ohio State No. 1 for the month of April because the C-115 reports were submitted late. Effective July 1, 1964, the following leases will be incorporated into the Cowntown Unit:

Frank Darden Ohio State	SE/4 SW/4 13-18S-28E
Frank Darden Aston State	SW/4 SW/4 13-18S-28E
Frank Darden Browne State	N/2 SW/4 13-18S-28E
Frank Darden Magnolia State Y	NE/4 NW/4 24-18S-28E
Frank Darden Magnolia State	W/2 NW/4 24-18S-28E

This Unit was approved June 16, 1964, by the State Land Commissioner and by the Oil Conservation Commission after hearing in Santa Fe May 26, 1964. Will you please inform us if there is any special allowable procedure for the Unit, what our Unit allowable will be, and if we will have a new lease number assigned for reporting Unit matters.

Thanking you for your kind assistance, I remain

Very truly yours,

Frank Darden
