Dear Sir:

Re: G. A. Grober, No. 1 Wright
SENW, SEC 25-18-28, Eddy Co.

Thank you for your letter of March 22, regarding plugging procedure of this above captioned abandoned well.

The writer will appreciate very much if you will have at least three of the local operators at Artesia who might be interested in plugging this well, submit bids covering necessary work.

Any assistance you can render along this line will be greatly appreciated.

Yours very truly,

W. L. Shaner
