Eddy County, New
Mexico

Gentlemen:

The enclosed Forms C-103 on the subject well are being returned for additional information. The order approving this well for injection stated that plastic-lined tubing be used, and the enclosed Form C-103 does not indicate complete compliance with said order.

If you have any questions concerning this please feel free to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION

W. A. Gressett
Supervisor, District II
